

'Much fun was had by all, especially when out came the 'Tomfoolery Box'. This box was hilarious and provided a lot of enjoyment for all.
The box is a stroke of genius as it helped people to really get into the party spirit... Even the ones who prefer to stay in the shadows crept onto the Dance-floor to play an inflatable Saxophone or don a comedy wig! Priceless!

'The Tomfoolery Box is such an ingenious idea, we are so glad we decided to go for it and I think it's something EVERY Couple should invest in! We have some wonderful memories thanks to your photographer.'

'A definite highlight was the tomfoolery box! It was like feeding time at the Zoo when those Props came out. Unforgettable!
