

CoVid-19 Risk Assessment Form for (Event)					
Task, Activity, Hazard or Potential Risk	Risk			Measures to Minimise Risk	Outcome High/Med/Low
	High	Med	Low		
CoVid 19		X		<ol style="list-style-type: none"> 1. Load in and set-up to be carried out, where possible, prior to arrival of guests. Use a separate entrance for load in, away from the public, if available. 2. Face Masks to be worn during load in and set-up. Hand sanitiser to be available at all times. 3. Use physical barriers eg screens, ropes, flight cases, to keep guests at a 2 metre distance. If a stage is provided set up at the front and use barriers to prevent access to the stage by guests. 4. During the performance keep the volume at a lower level so that guests can converse without shouting. 5. Use request slips or a text facility to minimise contact with guests during the performance. 6. On completion of performance move physical barriers outward to prevent encroachment by guests and to maintain a safe distance whilst breaking down equipment. 7. Remove equipment from venue after guests have departed. Wear a face mask and use hand sanitiser. 	Low
